

# REALLY?

**REALLY. A FAMILY OF FOUR CAN MAKE \$44,298 PER YEAR AND STILL QUALIFY FOR PENNSYLVANIA'S CHILDREN'S HEALTH INSURANCE PROGRAM.**

So if your kids need health insurance, CHIP is worth looking into. After all, we guarantee access to quality health care for your children – access that may include the doctor your kids see now. Not only that, we cover everything from regular checkups, immunizations, and well-baby visits to emergency care, prescriptions, and dental – just to name a few.

**To get your kids health insurance today, call 1-800-986-KIDS.**
