Dear Parents:

Judy Pamer, from Achieva of Beaver County, will be conducting the following presentation on December 7, 2011 at six p.m. at Blackhawk Intermediate School. Western Beaver, Blackhawk, and Beaver school districts have teamed up to have Mrs. Pamer present this important information for parents:

Creating a Vision for Your Child: Planning the Journey

This presentation is designed to assist parents to use their hopes and dreams for their special education child to create a vision for their child's future. It will also demonstrate how to use this vision to create IEP goals or education plans that will work toward this vision, and how to use the vision to plan your child's transition to a self-determined adult life, not limited to or by other people's expectations.

The presentation will take place Wednesday, December 7 at 6 p.m. at:

Blackhawk Intermediate School
635 Shenango Road, Beaver Falls, PA 15010

If you plan to attend, please write your name, number of people attending and return to Mr. Palmer at 343 Ridgemont Dr., Midland, PA 15059.
