

Western Beaver County School District

9/10/2010

Dear Parent(s) or Guardian(s):

Western Beaver County School District will be providing an in-service training as part of the BVIU County Wide In-Service Day on Monday, October 11th, 2010. The District is extending the invitation to parents to the following training.

Jaime Grace, Director of Autism Services at Glade Run Lutheran Services will be presenting on the topic of Understanding Autism Spectrum Disorders. The training will aim to provide attendees with a general understanding of autism - including the diagnosis, characteristics, symptoms, and behaviors and will provide attendees with strategies and interventions they can use in the classroom and in other educational settings. The emphasis will be on strategies to support students with autism in general education classrooms.

We hope to see a great turn out of parents and teachers at this event. If you plan to attend, please complete and return the form below no later than Thursday September 30th, 2010. That way, we can prepare materials for you. Thank you.
